

Respected Sir/Madam

St Agnes Pre-University College is one of the prestigious institutions in Dakshina Kannada, catering to the needs of students from varying backgrounds. The college aims to empower the girls from different part of the state by educating them. The college had its humble beginning in the year 1920 and since then thousands of students have passed through the portals of this great college. The support of our benefactors and well-wishers has always been invaluable in all our endeavours.

The college caters to the needs of the poor and the under privileged students who desire to study in our institution. The college gives liberal concession to the under privileged.

As we all know due to the pandemic, students from poor financial background are finding it tough to pay the fees and cope up with online education due to unavailability of smart phones or laptops. We at St Agnes PU College are planning to donate 4G smart phones to underprivileged students coming from different backgrounds. Your generous contributions towards this noble cause would be highly appreciated. You may fully or partially sponsor. Your generous contribution towards the cause of education of the poor will light up the lives of many.

The contribution could be made to the “Abhaya Foundation” of the college. The contributions made can be claimed as a deduction under Section 80G of the Income Tax Act. Hope to get a positive response from you
