St Agnes P U College, Mangaluru

JUNE - SEPTEMBER 2018

Principal's Message

This newsletter has been introduced with the express purpose of showcasing all the achievements of our students and staff and to keep the lines of communication open with the parents, alumni and all the well-wishers of our college.

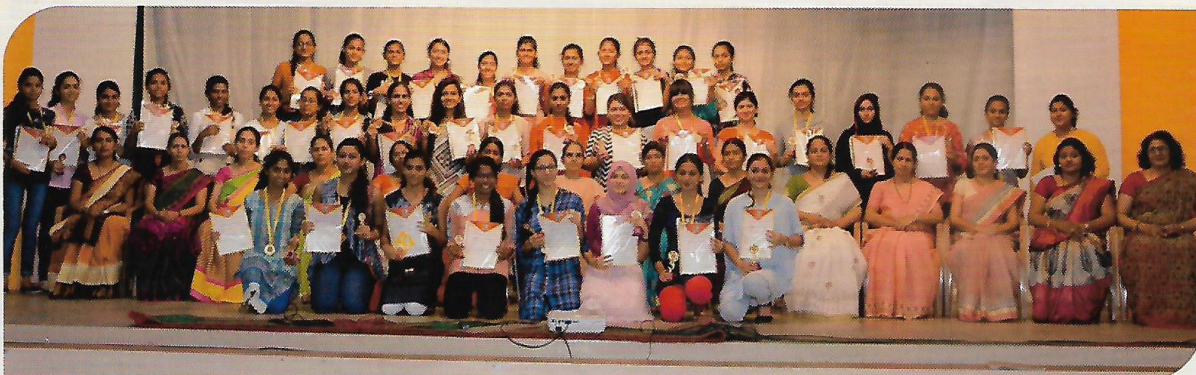

St Agnes Pre – University College, founded in 1920 bestows the best possible opportunities for the holistic development of the students. The commitment of our staff to the provision of an excellent education is visible in the heart-warming results of the II PU Board Examination, 2018. The results of the various competitive examinations have also given us immense satisfaction. The cultural, sporting and other successes of our students has filled our hearts with pride.

Our band of dedicated staff is innovative in drawing out the talents and skills of the students and the innumerable awards and accolades garnered by the students in competitions is ample testimony. We encourage the wholesome participation of the students in an extensive array of extra-curricular activities.

I am confident that the academic year ahead will be a rewarding one, full of achievements as we stride forward proudly with aplomb, determination and enthusiasm.
